## Otley Cycle Club and Chevin Cycles

Are you ready for riding in colder and darker conditions?  
We invite you to an exclusive evening to make sure you are safe, comfortable and prepared.

### JOIN US!

**November 28th 2023 18.00 pm - 20.00 pm at Chevin Cycles Otley**

We will have members of Chevin Cycles Staff and Otley Cycle Club there to talk to you about, discuss and demonstrate the following:

- The best lights to use on the road in darker weather
  - Riding with mudguards and how to fit them
- How to set up your bike for a comfortable and safe ride
  - Learn about the options for a full bike fit
- What is the best kit to wear when riding in colder weather?
  - Explore the Otley Cycle Club Santini range of winter kit
- Look at other kit options from Chevin Cycles wide range of suppliers
  - Learn how to do some basic bike maintenance checks on tyres, brakes and chains and keeping your bike clean
    - Some tips on how to change a tyre quickly
  - Considering Tubeless tyres? ask us about this.
